

LAKEWAY MEN'S GOLF ASSOCIATION

The Lakeway Men's Golf Association provides quality golf opportunities that include sportsmanship and camaraderie within the competitive environment of the game and provide programs and activities that will allow the entire membership to participate.

Membership

Any LCC member may join the LMGA. Dues are collected at the beginning of the year or by the pro shop when the member joins: they are \$40. There are currently over 350 members. All members use GolfGenius to get news, enter tournaments and receive results. When the pro shop receives a request to join the LMGA, the new member receives an invitation that gives him access to the LMGA website.

Tournaments

The LMGA holds tournaments that are open to all of its members each Tuesday and Friday, as well as two Saturdays a month. A variety of games are played including individual, two and four man teams, and scrambles. All games use the player's handicap and are shotgun starts in the morning.

Tournament entry fees go towards prizes that can be redeemed at the pro shop. The entry fee for Tuesday and Friday events is \$5 with an optional \$4 skins game. The Saturday entry fee is \$25 which includes both net and gross skins.

The LMGA website's (provided by GolfGenius) calendar shows each play date and the type of tournament being played that day. The tournament schedule and results are posted on the LMGA website. The website is used to enter all events.

Annual Meeting

The LMGA holds an annual meeting at which it elects officers for the following year. The tournament is played Friday and Saturday in November and includes lunch and prizes.

Officers

Officers are elected each year in November by the membership. The LMGA board of officers for 2018 are:

President: David DeLuca

Vice-President Weekend Play: Jim McCausey

Vice-President Weekday Play: Rick Augustine

Secretary: Bob Knaus

Treasurer: Bill Resnik
